School District of Niagara – Vacancy Notice

Position: Middle School Mathematics Instructor

Application Deadline: Open until filled

The School District of Niagara is seeking an energetic individual with a passion for teaching to join our exceptional team. This is a full-time mathematics teaching position for grades 6–8. We seek a professional who is a team player and dedicated to making a difference in the lives of children. Strong organizational, lesson-planning, and communication skills are a must. The candidate should be knowledgeable in mathematics instruction and employ effective classroom management, along with current methods of technology use within the classroom.

Preference will be given to candidates who possess an Elementary/Middle Childhood–Early Adolescence Certification (1777 – Regular Education) or a mathematics minor. Coaching and extracurricular opportunities are available.

Licensure:

- **Elementary/Middle Childhood–Early Adolescence Certification**
- **Regular Education (1777)**
- **Mathematics (1400)**

Salary is negotiable in relation to teaching experience and additional licensure. Tuition reimbursement is available for continuing-education credits.

Applicants must submit a letter of application, current DPI license, transcripts, resume, and three letters of recommendation.

Applications can be sent to:
