

NIAGARA ELEMENTARY 4K-5

WISCONSIN SCHOOL DAY MILK PROGRAM

2024-2025 PARENT PERMISSION FORM

The Niagara School District will offer the Wisconsin School Day Milk Program for students in grades 4K-5. (This is the milk that is served in the classroom during snack time) The current cost is \$0.35 (35¢) for a half pint. This price is subject to change if purchase costs rise, however, if your family qualifies for free or reduced meals via Direct Certified or the Alternate Household Income qualification, the WSDMP cost will be zero.

NOTE: Although our school qualifies for the Community Eligibility Provision (no cost for breakfast or lunch) – **this “snack” milk is not included**. If you do not qualify for free or reduced priced meals through the above process, this milk will be charged to your family meal account.

- The annual cost for snack milk per student is approximately **\$70.00** per school year
- There must be money in the Family Food service account for participation in this program (**Yearly payment is recommended**)

If your child cannot drink milk due to an allergy or other condition, your child may receive a 100% fruit juice as a substitute. Substitution is allowed only by a written order from a physician.
